

## Mission

Ashes to Beauty is a grass-roots organization that embraces the homeless, the addict, and the broken in the community and meets them right where they are at. We exist to build relationships, share the Gospel, and establish Biblical foundations in the lives of those who would benefit from our ministry, as their identity in Jesus Christ is taught and we make disciples of them.

(See Isaiah 61:1-3; Philippians 2:13)

## Vision

To take the church outside of its four walls and radically lead (in unity) a movement of God's people to share our Heavenly Father's love with the lost and the broken. We seek transformation by:

- The renewing of minds, as each soul grows in the revelation of who Christ is.
- Learning and understanding the Word of God and how it applies to them.
- Growing each individual at their own pace and loving them along the way.

(See 2 Corinthians 5:17; Acts 16:13-16; John 10:10; Romans 12:1-3)

## Core Values

- Let the Word of God be the foundation in everything that we do. (See Rome; Eph 3:17; Eph 2:20-22; Col 1:23)
- Treat every person as the invaluable son or daughter of God they are and were created to. (See Ephesians 2:10; 1 Timothy 2:4)
- Strive for unity and partnership among the body of Christ. (See 1 Corinthians 6:17)

## Founder, Yolanda Williams

In 2011, God delivered me from drug addiction, mental illness, homelessness and brokenness. For me that was my from Ashes to Beauty.. "hence the name of my ministry. When I considered where I was then and where I am today, I now know that as He delivered me, it is God's purpose to deliver every child of His from anything that is keeping him/her away from Him. Each who is willing, the promise is true, "from Ashes to Beauty".

I truly believe that God has given me a heart for His people, who are still in darkness and bondage, as I can feel and know the pain they are experiencing.

My desire today is to impact women with a hunger to become intentional in the word of God that they may walk in the fullness of who God intended them to be.
